## Wall Sconce 5354-W-2

The Viennese Coffeehouse Family

Simple wall sconces like this were very popular in coffee houses in Vienna throughout the 50ies to the 70ies. A band of brass holds several chains from crystal, artfully linked with silver or gold wire.

Various design options can be based on this general template to create bespoke variants for the perspective location.

Also the size is completely variable and can be matched to any prerequisite.
