

## AQUATIC ANIMALS – SWAN

*Handpainted*

Design: Luise Terletzki-Scherf, 1956

---

*height 7 cm · product no. 02.072*

---

The swan is a model example of monogamy. They pair for life, which comes as no surprise given how many pleasant assiduities they receive from their partner. This magnificent fellow courts his fair maiden with a crown painted in 24 carat pure gold. Not bad at all. But in reality he seduces his precious one with just a loving look, which one of the master porcelain painters of the manufactory has painted onto his face free-hand.
