

RABBIT – HARE (IN CABBAGE)

Hand painted, Vers. II green

Design: Luise Terletzki-Scherf, 1960

height 5 cm · product no. 02.507

The special attraction of Luise Terletzki-Scherf's figures is the way they are painted. Each individual one is formed and decorated free-hand in the master studios of the manufactory to this day. The numerous different yellow, green and brown nuances in themselves, which these juicy cabbage leaves have to thank for their splendour and appetizing appearance, earn our attention. A hare with 'eyeliner' is crouching in the centre. Is this not the most extraordinary sight?
